Flusi - What does it mean?

For people on this earth who don't speak German, the name of our community could cause confusion. In this article, we'll briefly explain what "Flusi" stands for in our name.

That *Board* in our name stands for a Forum should be clear so far. But what the hell does *Flusi* mean?

Flusi is an artificial word composed of the first letters of the German words for Flight Simulation (***Flug****si* *mulation*).
